PO Box 598
Thorofare, NJ 08086

Dear Friends,

On behalf of the volunteers for Paws and Claws Society as well as for the animals and residents we serve, I wish to sincerely thank you for your kindness in including our organization in your family of charitable partners. Your leadership and generosity allow us to make a difference in the daily lives of many homeless animals. Their placement in loving homes is our greatest joy.

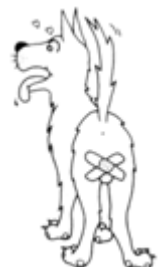

You will be pleased to know that Paws and Claws Society is operated in a most efficient and effective manner as evidenced by the 99.12% expended on direct programs services since our inception in 1993. In addition, PACS is an all volunteer organization so you may be assured that we value your assistance, and we certainly do thank you for contributing to the overall improvement in the lives of our animal friends.

Once again, please know that we do indeed appreciate all of the employees of Marine Equipment & Supply Company who participated in the company's softball event that raised an amazing \$620.00.

Please visit our website at www.pacsnj.org to see your charitable dollars at work.

Sincerely yours,

Jean Smith
Founder and Treasurer
