**PARTNERS IN PREVENTION NOT DESTRUCTION**

January 31, 2019

Stray Haven Humane Society & Clinic  
ATTN: Kristi Snyder, President  
194 Shepard Road  
Waverly, NY

Dear Kristi,

During our first "Cat Spay Day" in 1995, held in NJ, Paws and Claws Society (PACS) distributed 200 spay/neuter coupons to eligible residents in our designated target community. The event was a complete success thanks in large part to the help and cooperation of the County Board of Chosen Freeholders and the local veterinary community.

"Cat Spay Day" not only met its primary objective of addressing the cycle of cruelty caused by pet overpopulation, but the event also provided some very insightful information, which Paws and Claws Society continues to utilize to this day when developing new programs.

On February 26, 2019, Paws and Claws Society, in partnership with Gemini Farm in Rome, PA, plan to sponsor our 25th annual "Cat Spay Day" by offering coupons for free cat spay/neuter surgery to senior citizens, disabled persons, low-income individuals, and multi-cat caretakers residing in Waverly, NY. These targeted populations are notorious for having large numbers of unaltered cats that continually produce litter after litter of homeless cats destined to suffer and die.

Our 2019 "Cat Spay Day" is in keeping with the mission of our "SAFER Cats on the Border" program currently being offered in PA and NY. Both programs are designed to elevate the status of felines in the community through programs of spay/neuter, adoption, education and medical care. We hope our 2019 "Cat Spay Day" initiative will again be a cooperative effort between PACS, Gemini Farm, local animal advocates, government officials, and, of course, the most important group in this partnership; participating veterinarians.

We ask again for your participation in this important event by agreeing to redeem Paws and Claws Society "CAT SPAY DAY COUPONS" and billing PACS in the same manner as our "Cats on the Border" program. These coupons have a slightly different look than our regular spay/neuter vouchers as you can see from the attached files. If there are not enough Cat Spay Day surgeries to fill our normally allotted 10 slots, PACS volunteers, Deb and Sally will be prepared to bring in Cats on the Border felines. Also, please let me know if we would be able to ask for additional slots, and if so, who would be contact. We do not wish to cause any disruption to normal clinic operations.

Paws and Claws Society is most grateful for all the past assistance from you and your Stray Haven family. With the continued support and encouragement of Stray Haven and the veterinary community, we can prevent the unnecessary killing of America's most popular companion animal by preventing unwanted births.

Please respond by February 7, 2019 with a phone message or email with your agreement to accept Paws and Claws Society Cat Spay Day Coupons. Should you need more details, please don't hesitate to contact me.

Sincerely yours,

Jean Smith  
Founder & Administrator
